Ashesi University College Financial Aid Application

General Guidelines

1. To qualify for financial assistance a student must be admitted into a degree program at Ashesi University.
2. You must provide all the information requested in this application and attach the necessary documents. Answers must be typed or written clearly and completely. Indicate N/A if a question is not applicable. Incomplete responses and inadequate information will delay the processing of your application.
3. Financial aid applicants must include a letter detailing the reasons they need aid from Ashesi.
4. All the information provided must be accurate and true. Any falsification of information on this application will lead to financial aid not being awarded, or your financial aid and possibly admission to the university being withdrawn.
5. Be advised that Ashesi University has limited resources and therefore cannot provide assistance to all applicants. Ashesi does not guarantee that an applicant will receive the full amount of aid they request. It is therefore critical that you do not request more assistance than you need.
6. Financial aid is offered on the basis of demonstrated financial need and merit, in the form of scholarships, grants and loans. **Furthermore, admission decisions may be based in part on the university's ability to provide the support you request.**
7. Applicants claiming organizational sponsorship must provide a signed statement confirming such support. This statement may be contingent upon your admission to Ashesi University.
8. Students who receive financial aid from Ashesi must be full time students during any semester in which assistance is received.
9. **Students who receive financial aid must maintain a minimum GPA of 2.5 and above throughout their stay at Ashesi University or risk their financial aid being withdrawn.**
